

To keep a high standard of quality SFGS offer online private tuition where the student can get a solid foundation through the stuff provided by our renowned faculty. The student can interact with the teacher choosing the number of lessons desired and the time that suits him/her better. The teacher will provide the student:

- Written stuff
- Audio Recordings
- Video Recordings
- Private Lessons via Skype.

Whether you're a beginner or an experienced guitarist or musician looking to take your playing to another level, here you are what you need. Private lessons provide the opportunity to get the personal attention that you need to deep into your instrument and help to your musical growth.

The Department of Music of SFGS (Spanish Flamenco Guitar Society) manages a program for the study of Flamenco Guitar for different level students.
